ProfessionalSummary

Motivated and detail-oriented Angular Developer with one year of hands-on experience as a Freelancer, specializing in building responsive and dynamic web applications. Proficient in Angular, TypeScript, JavaScript, HTML, CSS, and API integration. Successfully delivered projects including fee management systems, data-driven dashboards, and interactive user interfaces. Adept at translating client requirements into functional and user-friendly solutions. Recently completed a 3-month Angular course from Ducat Ghaziabad, further strengthening core frontend development skills. Passionate about learning new technologies and contributing effectively to collaborative development environments.
